WHO SHOULD ATTEND
All health care professionals involved in assessment, treatment, and/or research in the area of pain, including those working in alternative/complementary disciplines. Primary care professionals are strongly encouraged to attend, as pain is one of the most common reasons patients seek medical attention.

PROGRAM HIGHLIGHTS
• The latest information on today’s most important pain care topics
• Sessions for both clinicians and researchers
• Interdisciplinary faculty and panel discussions
• Opportunities for networking and collaboration
• Poster presentations

FOCUS ON
• Challenges in pain medicine and professional dilemmas: neuropathic and chronic low back pain
• Pharmacology update
• Alternative treatment modalities in chronic pain
• Long-term consequences of opioid therapy
• Chronic pain in the pediatric population
• Innovative strategies for acute pain management
Poster Abstracts and Award Nominations for Clinical Excellence & Research are being accepted. Visit www.americanpainsociety.org/mps for more details and submission forms.

CONFERENCE VENUE
The Conference Center of Northwestern Memorial Hospital, at 251 East Huron Street in Chicago, is the site of the 39th Scientific Meeting of the Midwest Pain Society. This stunning facility has become a model for health care center design, with hundreds of tour groups visiting annually. All conference facilities are fully accessible for those with disabilities.

Only blocks away, Chicago’s Magnificent Mile and the Lake Michigan shoreline are home to magnificent museums, breathtaking architecture, world-class dining opportunities, professional sporting events, and superb shopping, plus over 100 theaters and performing venues. Join us for an exciting visit, both during and after the conference!

Full brochure and registration information will be available soon. Visit www.americanpainsociety.org/mps, or contact MPS Member Services at info@americanpainsociety.org or (847) 375-4397.
