

# Support

**We invite you to become an APS supporter. Meeting support is an excellent way for your organization to show its commitment to pain research and treatment.**

## Benefits of Support

- Enhance your visibility.
- Gain a more powerful presence.
- Increase your impact with APS members and the pain community.
- Position your company as an industry leader.

## Conference on Analgesic Trials (APS-CAT)

At the 36th Annual Scientific Meeting, APS will be conducting its second one-day pre-conference dedicated to developing a better understanding of how to effectively build and implement a clinical trials program in pain medicine. Sponsoring the Conference on Analgesic Trials will allow your organization to be recognized as key supporter of the activities needed to develop and implement a successful clinical trials program.

**Sponsorship package - \$15,000**
